#### Sprachcaffe Languages PLUS

**Learning with all your senses!**  
Many people who would like to learn a language believe - because of their experiences at school - that learning and having fun are mutually exclusive. Some believe, in a sense, that you have to suffer, otherwise you will not get the results that you would like to achieve. They are reminded of what learning grammar and vocabulary was like in the past. Even those experiences reinforce that learning a language inevitably involves a degree of pain and effort. Have your own experiences of learning made you afraid of failure, afraid of the teacher, worried about making mistakes or making a fool of yourself?

At Sprachcaffe Languages PLUS you will experience a different way of learning. You will have fun and achieve success without losing sight of your serious goals. You will study in a relaxed way, one which is conducive to learning and communicating without fear of making mistakes, literally like having a discussion in a "caffè linguistico". And this is where the name of the Sprachcaffe institute, which is a play on words, comes in. 'Sprach' implies language and communication and 'caffè' refers to the atmosphere we aim to create in the classroom.

Sprachcaffe Languages PLUS only teaches a language in a country in which it is spoken. That makes the country, city, and its people an important part of the concept. Learning with all the senses makes all the difference!

As a result of all my visits to Sprachcaffe Languages PLUS schools, I have come to the conclusion that all the above mentioned features and qualities are in evidence.

Prof. Dr. Jürgen Beneke

Professor Jürgen Beneke, PhD, teaches Applied Linguistics at the University of Hildesheim (Germany). His research interests are languages for professional purposes, foreign language didactics and inter-cultural communication. He has been an adviser to many European companies and the Federal Government in Germany.

#### Starting Out:

You would like to be able to talk about yourself, ask and answer simple questions, be familiar with basic phrases and interact with others in simple language with limited grammar and vocabulary.

## Qualified professional teachers

It is no coincidence that we have been at the forefront of providing language opportunities for over thirty years. We strongly believe that our teachers are our main asset. They are all highly motivated and committed to providing the highest standard of language teaching. All our teachers follow a course structure which is designed to take the diverse needs of all our students into consideration.

### Super Intensive Course

**40 lessons / 30 hours per week**  
1 lesson = 45 minutes

This is the ideal course for students who really want to challenge themselves academically. Students take 8 lessons per day from Monday to Friday. This course is particularly recommended for university students.

### English for Work

**30 lessons / 22,5 hours per week**  
1 lesson = 45 minutes

The course consists of 6 lessons per day. 4 cover the key skill areas of a foreign language while 2 focus exclusively on business specific topics.

### Electives / Study Club

**10 lessons / 7,5 hours per week**  
1 lesson = 45 minutes

With our electives, you get the opportunity to immerse in certain topics while improving your language skills. There is a wide variety to choose from:

- Job Applications & Interviews, Sales & marketing, Business Negotiations, Rhetoric & Presentations (Malta, Brighton, London, USA, Canada)
- Combi Course (Frankfurt, Rabat, Montréal)
- Salsa (Playa del Carmen, Havana)
- Cooking (Playa del Carmen, Calabria)
- Diving (Havana)
- Taichi and Painting Course (Beijing)
- Full Immersion (Calabria)
- Italian Cool Tour (Firenze)
- Homework assistance (Madrid, Barcelona, Malaga)

### Individual Course

**10 lessons / 7,5 hours per week**  
1 lesson = 45 minutes

This is the fastest and most intensive way to learn a language or to improve your language skills. The format of the lessons is totally determined by your needs and desires. Obviously, the hours are flexible, allowing you to book them together with another course option.

### Academic Term/ Exam Preparation

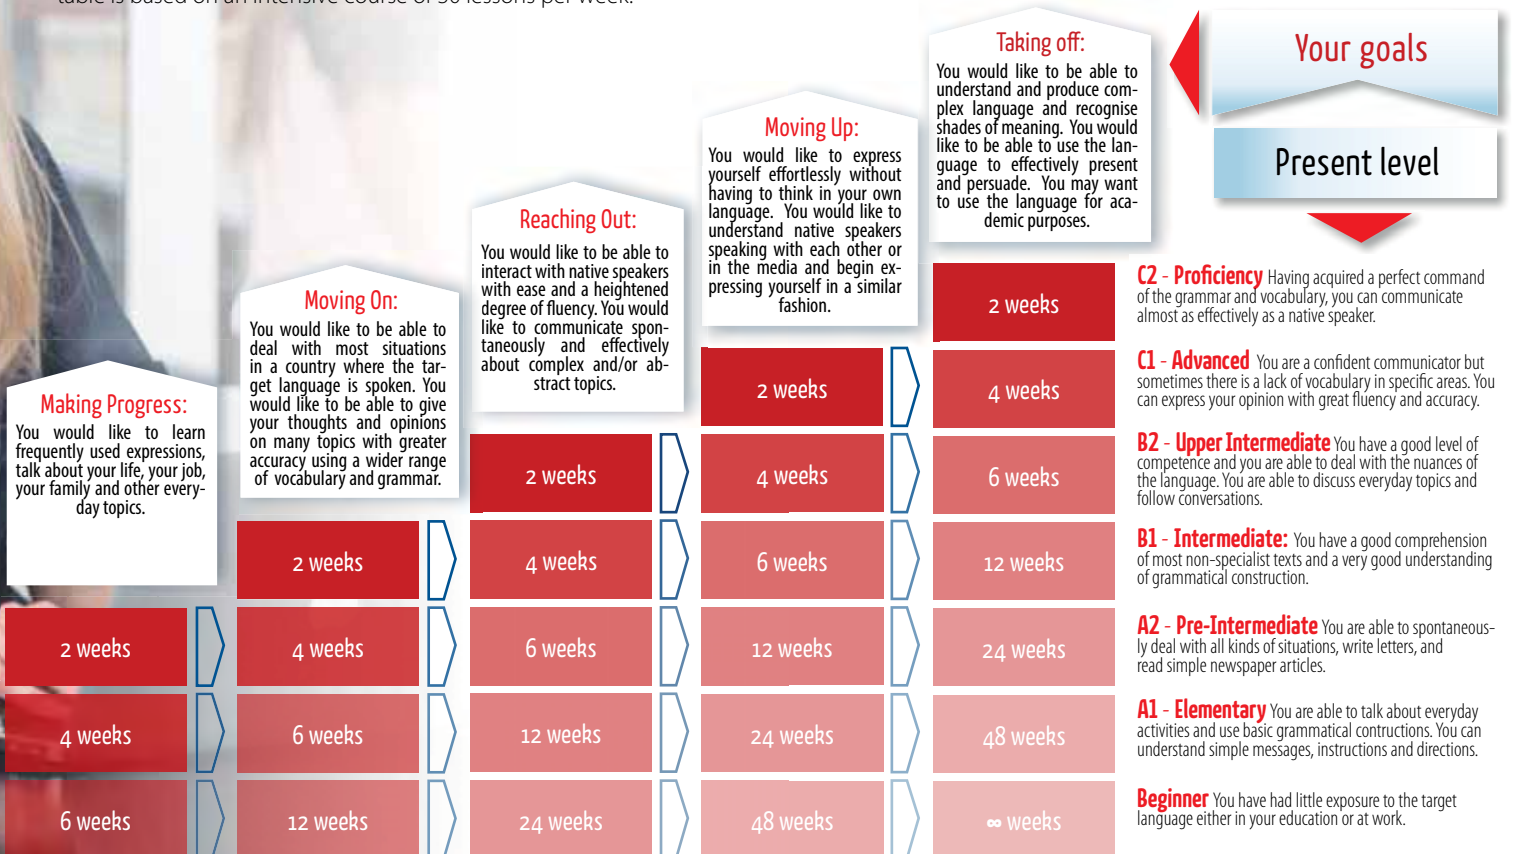

**20 lessons / 15 hours per week or  
30 lessons / 22,5 hours per week**  
1 lesson = 45 minutes

For more information on academic terms and exam preparation, please see page 12.

## Steps to success analysis of your current language level.

Prior to your first lesson you will take a language assessment test covering grammar as well as vocabulary. This will ensure that you are assigned to a class with students of the same level. The grid below proposes the length of time it should take to reach your desired target. Please note that this table is based on an intensive course of 30 lessons per week.

The recommended duration to reach your goals will also vary according to individual skill, age and prior language exposure, amongst other factors. Although it is normal to spend 12 weeks at a level, it is sometimes possible to advance to the next level after 8 weeks of study. Policies regarding this vary from school to school.

From the beginning I felt like a part of the school. The pathway programme helped me a lot to enhance my academic skills in English. Actually, I had to finish two years of chemistry as a pre-requisite for the university in 4 months and teachers at GEOS helped me a lot with my assignments and made it easier for me to finish the courses on time.

In the unlikely event the school is unable to create a group course due to an insufficient number of students of the same level, smaller classes for a reduced number of lessons will be provided instead (standard = 12 lessons / intensive = 18 lessons). The minimum number of participants is 4. Under the rare circumstances of our being forced to cancel, all fees paid for Sprachcaffe Languages PLUS services will be refunded.

**4.
