

# SAIT Polytechnic

CALGARY, ALBERTA, CANADA

A polytechnic is an innovative and entrepreneurial post-secondary institution, distinct from universities and colleges in that it offers a skill-focused approach to learning.

As one of Canada's leading polytechnics, SAIT provides relevant, skill-oriented education to more than 75,000 registrants each year. Approximately 1,000 business and industry partners help shape curriculum by serving on more than 65 advisory committees. SAIT was the first publicly-funded institute of its kind in the country, and 97 years later, it has become Canada's premier polytechnic.
