And much more!

2017 marks the 50th anniversary of the founding of Durham College (DC), one of the first colleges established under the Ontario college system. The college has come a long way since 1967.

From 16 portable classrooms and 205 students to more than 30,000 students, campuses in Oshawa and Whitby and a learning site in Pickering, DC has been meeting the changing needs of students, industry and government for almost five decades

Benefits of studying at Durham College

- Excellent student support services that extend beyond the student's graduation.
- Great professors and mentors, who know what it takes to get hired.
- Gain the right knowledge before starting your career.
- All Durham College programs are developed with employer input and reviewed regularly by Program Advisory Committees made up of industry leaders, students and faculty.
