The college welcomed its first students in 1971 and adopted the name “Camosun”, a local Lkwungen (Songhees) First Nation name meaning “where different waters meet and are transformed.” Camosun College campuses are located on the traditional territories of the Lkwungen and WSÁNEĆ peoples. We acknowledge their welcome and graciousness to the students who seek knowledge here.

From accountants to welders, professional chefs to nurses and engineering technologists, Camosun College helps transform lives to build a better future.

Program Highlights

We're large enough to provide great services and facilities for a vibrant campus environment on beautiful Vancouver Island, yet small enough to offer students the individual support, care and attention not found in most post-secondary institutions.
